

Launched in 2013, **Teddis for Loving Care** is a Charity for the benefit of distressed sick children, attending Emergency Departments in Hospitals throughout the Island of Ireland. Funds are donated to purchase Teddy Bears.

These are provided to **Hospital Emergency Departments**, so that medical / nursing staff can distribute them, at their discretion, to children who are admitted in severe distress and where the staff member feels that a Teddy to cuddle will help allieviate the stress and assist in their important work.

or...

SHOW YOUR SUPPORT BY WEARING A TLC LAPEL PIN

Every TLC pin purchased enables us to provide at least 2 'Hospital Teddy Bears' for the children who need to visit local emergency units. There are 5 uniquely crafted lapel pins to choose from for a donation of at least £4, or buy all 5 for adonation of at least £16 and help put smiles on the faces of deserving stressed children in Hospital Emergency Departments across Ireland.
